DR. RADWAY'S Sarsaparillian Resolvent.

Physicians and medical men in all countries pronounce these wonderful remedies a mystery, that neither their science of analysis or chemical skill can explain. True, these medicines effect the most marvelous cures, and restore the dying to life, and relieve the most wretched pain-suffering victim of his tortures, in from one to twenty minutes, and although they know some of the ingredients of their composition, and Dr. Radway has published their formula (withholding only two newly discovered roots) still both French, German, English discovered roots) still both French, German, English and American chemists and pharmaceutists utterly fail with the same ingredients as prepared by them. The great success which these wonderful remedles are constantly achieving, lies in the great secret of combining the ingredients together after exercising due care in selecting the presented of the secret of the

In one word, any disease—no matter under what name designated, that is nourished or increased by Bad, impure, deprayed, weak, thin, watery or poisoned blood—can be cured by RADWAY'S SARSAPARIL—LIAN RESOLVENT.

Dr. Radway & Co. have never claimed one-hundredth part of the curative virtues for their remedies as is ascribed to them by the people who have used them for bear in mind, only such diseases and complaints as Dr. Radway, after successful treatment with their remedies knew they would cure, were enumerated in their curative list so that many of the autracrelinary cases. that have been reported awakened as much astonishment in the discovery of their remedial agents as in those who had been rescued from death, and made whole and sound.

Never has a medicine taken internally been known to have cured tumors either of the womb, uteri, ovaries, or bowels; the knife has been the sole reliance in the hands of experienced surgeons; but Dr. Radway's Sarsaparillian settles this question. AN IMPORTANT LETTER from a prominent gentleman and resident of Cincinnati, Ohio, for the past forty years well known to the newspaper publishers throughout the United States:

New York, Oct. 11th, 1870.

De. Radway—Dear Sir: I am induced by a sense of duty to the suffering to make a brief statement of the working of your medicine on myself. For several years I had been affected with some trouble in the bladder and urinary organs, which some twelve months ago culminated in a teribly afflicting disease, which the physicians all said was a spasmodic stricture, in the urethra as also inflammation of the kidneys and bladder, and gave it as their opinion that my age—73 years—would prevent my ever getting radically cured. I had tried a number of physicians, and had taken a large der, and gave it as their opinion that my age—73 years—would prevent my ever getting radically cured. I had tried a number of physicians, and had taken a large quantity of medicine, both alopathic and homeopathic, but got no relief. I had read of astonishing cures having been made by your remedies; and some four months ago I read a notice in the Philadelphia Saturday Evening Post of a cure having been effected on a person who had long been suffering as I had been. I went right off and got some of each—your Sarsaparillian Resolvent, Ready Relief and Regulating Pills—and commenced taking them. In three days I was greatly relieved, and now feel as well as ever.
